JUST FOR MEN

While most of our services are ideals for both females and males, we still create unique treatment package specially for him. The package is including:

Bespoke Facial (60min)

This facial is especially for man's skin. A deep pore cleansing and exfoliation will minimize razor burn and ingrown hairs. Then relax with a therapeutic mask while neck and shoulders are massaged. Finish with serums, eye care, lip care and moisturizer tailored to your skin needs.

Body Refreshment (75min)

It's a spa and massage package, begin with a relaxing 15 minutes spa, then step out for a full-body massage, let our massage therapists work their magic as you enjoy a Swedish, hot stone or deep tissue massages. Feel rejuvenated and kiss tension and muscle pain goodbye as you sink into total relaxation.
